

UNIVERSITY OF ARKANSAS  
FOR MEDICAL SCIENCES

**DIGITAL MICROSCOPY LABORATORY**

**FY 18 Rates  
July 1, 2017 – June 30, 2018**

The DML is a user supported facility. The hourly fees that are charged are only used to recover costs of operation.

Zeiss AxioImager		\$36.50
Zeiss Axiovert	Setup Cost+1st hour:	\$36.45
	Hourly rate after 1 <sup>st</sup> hour:	\$ 4.75
Zeiss LSM 880 Meta w/ Airyscan		\$32.85
Zeiss ELYRA Super-Resolution		TBD Oct 2017
Bruker Ultime IV 2-Photon		Installing Fall 2017
FEI Transmission Electron Microscope (Beam Time)		\$63.45
Electron Microscope Training, High Pressure Freezing, Freeze Substitution, EM Sectioning, and Software Consulting <b>Jeff Kamykowski</b>		\$37.60

**Requirements for Use**

**Investigators must provide an assurance statement as follows:** The services requested are for research purposes only. All applicable regulatory and safety approvals have been granted for the project.

**Investigators must agree to acknowledge all use of the facility as follows:**

*The electron microscopy equipment in the University of Arkansas for Medical Sciences Digital Microscopy Laboratory was funded by NSF Grant 0959745.*
